

How To Install Hulu on Firestick or Fire TV?

Posted by kathyroslin24 - 2020/03/13 07:20

Firstly, you have to start to reach hulu.com

After that, click the Start your free trial option

Next, select the Hulu + Live TV plan

Secondly, you have to enter personal information and then sign up with your Facebook account

Finally, select the Payment option and then provide your payment information

You can contact our professional support team at the toll-free number +1-844-885-8900 for more information and queries on Hulu on Firestick.
