

How to hide your Plenty of Fish profile

Posted by jack0013 - 2020/04/11 06:32

If you just need a break from dating for quite a while, yet think you have to come back to Plenty of Fish soon, hiding your profile is no doubt the best decision. cancel my pof account

Investigate to <http://www.pof.com>.

Sign in to your Plenty of Fish account.

Snap 'Adjust Profile'.

Snap the association by 'To disguise your profile from others, click here'.

Your profile will no longer appear in any recommendations or rundown things.

Complete comparative advances when you're set up to unhide your profile.
