

Why Bollywood Industry is a Biggest Industry?

Posted by famousbollywood - 2020/06/16 19:56

Bollywood occupies first place in the number of films produced in a calendar year, moving past of Hollywood in the process. Many people think that Bollywood is the only film industry in India. But it's not the case. Bollywood is the biggest film industry in India, in which films are made in Hindi, Indian national language.
