Co Create projects status
Posted by Tahereh - 2013/06/01 09:32

_____

Hi
why some of completed projects are still in "available projects" list? how can I know if a project is
completed or still available?
TIA

Hello Co-create section is currently being worked on, some users have not officially ended the job and
taken down the post. We are working to correct this automatically as jobs are completed.
