

Media enquiry

Posted by Stett - 2013/08/13 12:33

Hi there,

I'm a senior editor for MAKE magazine and I'm working on case studies of 3D printing service providers for our upcoming special issue on 3D printing. I'm looking to profile someone who uses Kraftwurx's services because of the variety of materials they offer. If anyone has a story to tell, please contact me at sholbrook@makermedia.com.

Thanks,

Stett Holbrook
