HOW TO CANCEL AUTOMATIC RENEWAL AVAST SUBSCRIPTION
Posted by williamjames9564 - 2019/07/04 02:12

_____

If you want to disable your Avast subscription , you will have to turn off the 'Automatic renewal' option. Otherwise, you will have to pay a certain amount. So , follow the steps given below to cancel the automatic renewal of Avast Subscription.
Steps to cancel automatic renewal avast subscription
• Go to the official site "http://my.avast.com/"
• Enter your email address and password registered with your Avast account
• Go to the licenses section and choose the Avast premiere tab.
• Select the "Cancel auto-renewal" option
• Now click on "disable the auto-renewal subscription" after reading all the terms and conditions to verify that you don't want to use the Avast subscription anymore
If you still face any difficulty in the cancellation of auto-renewal , you can ring up avast customer support for professional and technical guidance.
