

Make Voice and Video Calls Through Alexa and Amazo

Posted by mia01 - 2019/08/22 03:47

Owning an Amazon Echo can come in handy for many activities. Be it playing music, switching on lights, checking live scores, or the weather; you can do it all just by asking it. This list of features includes calling too. Many people do not know that Alexa can place a call to their contacts even if they do not have an Amazon Echo.
