

Jewelry CAD Designer

Posted by ander - 2013/05/29 04:10

Hello,

My name is Andrey.

I am a professional 3d designer of jewelry and souvenir production.

I've got 8 years of experience in NURBS & Polygon modeling, rendering and preparation models for 3d printing and CNC milling.

Portfolio is available on my website: <http://sp-3d.com>

Regards,

Andrey

Hello Andrey,

Glad to meet you here. We welcome you to Kraftwurx.com. Please let me know if you have any questions about 3d printing with Kraftwurx.
