

Every Kraftwurx seller is responsible for following the laws that apply to you, your shop and your items, including any shipping restrictions for your items.

There are some types of items that we do not allow in the Kraftwurx marketplace, even if they are legal and otherwise meet Kraftwurx selling criteria. Some things just are not in the spirit of Kraftwurx. The following types of items may not be listed on Kraftwurx:

- Drug and drug-related paraphernalia
- Pornography
- Firearms and/or weapons (except scale models)
- Food-Grade Products that may be toxic.
- Items or listings that promote, support or glorify hatred toward or otherwise demean people based upon: race, ethnicity, religion, gender, gender identity, disability, or sexual orientation; including items or content that promote organizations with such views
 - Items or listings that promote or support illegal activity or instruct others to engage in illegal activity
 - Items or listings that promote, support or glorify acts of violence or harm towards self or others

Even beyond these standards, Kraftwurx members are responsible for making important moral or ethical decisions regarding what they buy and sell on Kraftwurx.

We reserve the right to remove listings that we determine are not within the spirit of Kraftwurx. Such listings will be removed from the site, and the member's selling privileges may be suspended and/or terminated. If Kraftwurx removes an item listing for violating Kraftwurx policy, the seller is still obligated to pay the listing fee for that item. Suspended or terminated members remain obligated to pay Kraftwurx for all unpaid fees per our [Terms of Service](#).
